

Dear Reader,

It's my absolute pleasure to recommend Tarcan Yönel who worked for ValueBlue from November 2020 till December 2021 as a UX designer.

I thoroughly enjoyed my time working with Tarcan, and came to know him as a truly valuable asset to absolutely any team in the role of UX designer. He is honest, dependable, and incredibly hard-working. Beyond that, he is always available to help and assist any colleague that requests his help.

His knowledge of UX designing was a huge advantage to our entire office. He put this skillset to work in order to improve the design system but also in collecting feedback from our end-users.

Along with his undeniable talent, Tarcan has always been an absolute joy to work with. He is a real team player, and always manages to foster positive discussions and bring the best out of other employees.

Without a doubt, I confidently recommend Tarcan to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your organization.

Please feel free to contact me at marcel.groennou@valueblue.com should you like to discuss Tarcan's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes

*,
